Genesis 1: 1-3 "In the beginning God created the heavens and the earth.

Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters.

And God said, "Let there be light," and there was light."

At the sound of God's voice, the colors will spring from the darkness, they will be bright, without any order, but with a lot of energy. They will disperse, and then, following the Holy Spirit, they will gather and assemble. They will learn about discipline, order and obedience, and their perfect union, a rainbow, will give birth to the light (white color).

As the Holy Spirit will be looking at them, the colors will search for each other, to finally form alliances which will give birth to our nations: France and Israel. Our nations' flags will be then created, but stay inert and motionless. By the Holy Spirit blowing, the nations will then be able to become alive little by little. France and Israel will start to move, to get assurance. They will still be far from each other, but connected to the same Spirit. Our two nations will learn how to rely on the Holy Spirit, walk with Him, and trustfully follow him.

But The Spirit of God is one, and in his dance, He will lead our nations to meet each other, to face each other... Under the kind look of the Holy Spirit, France and Israel will begin a dance of acknowledgement where they will discover each other, recognize each other, to finally unite: France will be realigned to her elder sister, Israel.

From this union between France, Israel and the Holy Spirit, the new identity of our nation will spring, a restored identity.

2 Corinthians 5:17 "Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!"

Sure about her identity, realigned on Israel, trusting the Holy Spirit, France will then be able to walk in her call...

Blessings will start to come massively around her, like a river of God's soldiers: joy, freedom, breath, mercy, breakthrough, new growth, justice, creativity, promises, holiness... This multitude of blessings will cover France and protect her; they will surround her, like a divine security wall around her.

Isaiah 13: 2-4 "Raise a banner on a bare hilltop, shout to them; beckon to them to enter the gates of the nobles. I have commanded my holy ones; I have summoned my warriors to carry out my wrath — those who rejoice in my triumph. Listen, a noise on the mountains, like that of a great multitude! Listen, an uproar among the kingdoms, like nations massing together! The LORD Almighty is mustering an army for war."

Soon, France will enter into her destiny and learn how to use the gifts God gave her, and how to lead those who will be by her side: as the flight of the geese needs a leader, France will flight at its head.

And France will raise a "shira" to her God, a song of gratefulness. She will then shout among the nations:

my chains are gone
I've been set free
My God, my Savior has ransomed me
and like a flood His mercy reigns
unending love, amazing grace

Isaiah 12: 2 "Surely God is my salvation; I will trust and not be afraid. The LORD, the LORD, is my strength and my song; he has become my salvation."
